Just as advertised. My only complaint is that all the months are in the front and all the week's are in the back instead of placed in between with their according month. Other than that it looks great and does not feel cheap.P.s. The pineapples are matte and not super shiny. It looks pretty much like the picture though.

I love pineapples and this is so cute!

Thought the pineapples would be more metallic but they look like a color copy of something that was metallic. Would like it more if the weeks followed the months--not all 16 months followed by all the weekly pages. Not very well organized. Get what ya pay for, I guess...
