# Hidden Defendant - A Harper Ross Legal Thriller

## Synopsis

Harper's uncle has been arrested for murder. He's not the man Harper thought he was. Not at all. Harper's uncle, Jack Calhoun, has been charged with murdering a priest. Jack has no idea if he killed the priest or not. He has no memory of the murder. All that he knows is what he is told - that he was in the rectory, holding a knife, with a priest covered in blood at his feet. It soon becomes apparent that Jack is not who he seems. He's not the man who Harper grew up with. He's become something else. Somebody else. It's possible that he really killed Father Malone - Harper must come to terms with the reality. As Harper gets further into the case, she's never quite sure exactly what happened. She doesn't want to believe that her beloved uncle would be capable of such a crime. All signs point to Jack as the murderer. Did he do it? With the twists and turns that you've come to expect from a Rachel Sinclair legal thriller, this tightly-paced story is not to be missed! Â

## Customer Reviews

Love Harper Ross novels. Always so many twists and turns that you can't always figure it out. I can't wait for the next installment!!! I've already preordered it.

I have enjoyed the Harper Ross books however this is my least favorite so far. I struggled to fall into the storyline as the author delved into areas of mental health way out of the mainstream. I will be back for further books by Ms. Sinclair!

Great read. It keeps you guessing. I am working my way through all of Rachel Sinclair series with Harper Ross as the main character and have enjoyed every one that I have read so far.

I love the Harper Ross novels. The plots, twists and turns are page turners. Harper is a likable hero and I hope the series has a long run!

This was such an interesting and unusual story. Since you have written in detail about DID, this must happen. Thank you.

I had a difficult time getting thru this one. I am a Harper Ross fan, but this one was to far fetched for me./

I'm quit halfway thru as I found no excitement or entertainment and the storyline dragged.

This series is ok, but a little slow reading.
