Great item

I love these, there were a few puzzles that were actually kind of hard for my 9 & 10 yr olds, which I like! Most things are too easy and end up being boring. This one's great! It's perfect for fun and learning and helping the kids stay quiet during church! Great purchase!

Bought this for a nephew's baptism, and he really enjoyed it. Great book for kids, and will keep them busy and learning during church.
