Legal Analysis: 100 Exercises For Mastery, Practice For Every Law Student

Synopsis

Legal Analysis: 100 Exercises for Mastery: Practice for Every Law Student offers 100 paced exercises to sharpen students' legal analysis skills. Professors will find:

- A bank of 100 legal analysis exercises at the ready, whenever students' analysis skills need attention or refinement
- Exercises adaptable to any paradigm, that increase the depth of students' writing
- Varied assignments that contain thoughtful sample answers and helpful annotations
- Learning objectives and outcomes for each chapter
- Assessment and grading rubric for each chapter
- Go-to material ready for any class period
- 100 exercises that can be used as is or expanded to fit professors' preferences
- Sample annotated answers for 50 of the exercises that their students can use to assess their own performance
- Online resources for ready access to authority

Students will receive:

- Tools students need to develop a keen understanding of rule-based and analogical reasoning
- 100 unique and fresh exercises to practice and self-assess their performance, using their own law school's analysis paradigm
- Self-assessment opportunities to ensure progress in analysis
- Learning objectives and outcomes for the legal analysis exercises
- Writing assignments with self-contained feedback
- Online resources for easy access to exercise cases, statutes, and regulations and helpful tips on improving legal analysis and writing skills

Academic support professionals can expect:

- 100 progressive legal analysis exercises for students to complete
- Go-to material assignable to any student
- Self-contained exercises that do not require particular knowledge of substantive law
- Sample annotated answers for 50 of the exercises that students can review
- Online resources for access to authority

Customer Reviews

This book was super helpful in my preparation for my first year exams. It really teaches you to issue spot and to be able to formulate your answers to get the maximum points in the most efficient way.

The book itself gave good insight into what exams and possible written statements should look like. I would recommend this book.

This book is excellent - everything I hoped it would be. I used it immediately in my legal writing class.

Very helpful exercises with a few answers on essays in the back as well.

I've been a very bad boy because I never read this book. AT ALL. But buy it, it looks great on a shelf.

This book was vital to my success in legal writing throughout my first year in law school. It helped with issue spotting and fully developing my legal arguments. After my first year in law school, I continued the writing assignments for additional practice. I would recommend this book to anyone seeking to advance your analytical writing skills.
