ISBN-13: 978-0892724581

Product Dimensions: 11.4 x 0.5 x 8.8 inches

Shipping Weight: 1.5 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #365,651 in Books (See Top 100 in Books) #4 in [Books > Travel > United States > Vermont](#) #274 in [Books > Travel > United States > Northeast > New England](#) #671 in [Books > Arts & Photography > Photography & Video > Travel](#)

Customer Reviews

Book by Feil, Charles

Okay, so why give it 5 stars if it's not "outstanding"? Because it's about Vermont, and Vermont is perfect. That's the rule. Objectively, I'd have to give the book 4 stars. This book is an ideal coffee table book because it contains only pictures with very little accompanying information aside from the caption. Obviously all of the pictures are aerial, but some are focused on a small area -- like a building or bridge -- and others are of landscapes. Most of them were apparently taken after foliage season and throughout Winter; I would've liked to have seen a little more seasonal diversity. My favorite picture is on page 79 because I hope to have one of those myself someday. My least favorite is, unsurprisingly, on page 27. For some reason Feil has a tradition of including a shot of an auto salvage yard in his books, but I thought it took up the space where a good picture could be. Overall, Feil (and Rooty) do a nice job of capturing some unique moments in a one-of-a-kind place.
