Labor Law (University Casebook Series)

Synopsis

The Sixteenth Edition makes a number of significant changes to its predecessor, reflecting the evolution of the law relating to employers, employees, and unions in a dynamic economy. This edition includes new decisions of the National Labor Relations Board appointed by President Obama, which has departed in important ways from the approach of the Board under the prior administration. Moreover, the Board is now actively confronting the role of labor law in the contemporary workplace, addressing emergent issues such as protections for employee electronic communications and social media interactions, accountability for employers in “fissured” enterprises, and potential limitations on other employer restrictions on collective activity. The book also contains judicial decisions addressing these developments as well as reactions in Congress and elsewhere, evincing the growing polarization over the role of labor unions in society. This edition supplies a comprehensive revision in light of major legal shifts occurring from 2013 through 2015, notably the new NLRB representation election rules *Purple Communications*, adopting new rules on employee use of employer email for concerted activity *Murphy Oil*, reiterating *D.F. Horton*, holding that the waiver of the capacity to participate in a group arbitration of an employment law claim violates of the Labor Act, with more detailed consideration of the judicial treatment of that question under the Norris-LaGuardia Act as well *Fedex Home Delivery* and more on the distinction between employees and independent contractors *Browning-Ferris*, *McDonald* and more on joint employer status and the situations of franchisors *Babcock & Wilcox*, announcing new arbitration deferral rules, and the General Counsel’s advisory explication of the employer rules affecting “§ 7 rights” against “gossip,” disclosing confidential information, or “threatening behavior” and especially on the use of recording and photographic devices and social media and much more. Discussion problems and exercises throughout the text offer students the opportunity to engage with this new material, illustrating how exciting and challenging the study of labor law is today.

Book Information

Series: University Casebook Series

Hardcover: 1283 pages

Publisher: Foundation Press; 16 edition (July 19, 2016)

Language: English

ISBN-10: 1628101512

ISBN-13: 978-1628101515

Package Dimensions: 10.1 x 7.9 x 1.9 inches

Shipping Weight: 5 pounds (View shipping rates and policies)
