# American Sign Language Conversation (Quick Study Academic)

## Synopsis

Essential sign language knowledge for use in conversation, this 6-page laminated guide covers the most important aspects of communicating in ASL. Includes photo examples of often-used words and phrases to illustrate concepts of action and/or movement that make communication clear while adding emotional emphasis that always makes for good conversation. Suggested uses: o Beginner who would like to sign as a language whether needing to communicate with friends or family, those who may need signing for work, or those who like to be prepared for any kind of conversation o Instructors/Teachers/Professors quick reference tool for continued use throughout a course o Students quick and easy reference tool
