Customer Reviews

'the answer to every short-breaker's dream ...The jewel-coloured guides look beautiful and are exquisitely designed.' The Times '...gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

I found this book to contain not much information and therefore not very helpful. I wish I was more familiar with this series prior to purchasing multiple city guides.

Unlike other Wallpaper City Guides, this book does not give you the feel of being in the city itself. This book is not for travelers! This just gives you a picture and a description on each page of London's top restaurants and hotels, which are extremely expensive. I only recommend this book for those rich and wealthy Londoners looking for a place to splurge.
