## Customer Reviews

A compact New Testament in the Good News Translation; a perfect gift for First Communion. This compact size of the New Testament in the Good News Translation is available in two Leather-Look™ editions, white and black. Special features include: New Testament text of the Good News Translation, with imprimatur; Compact size for kids; Two Leather-Look™ editions to choose from; Ribbon marker with cross charm

The font size in this Bible is very, very small (perhaps 5 pt). Compared to the letters in a typical 3rd graders school text book, the letters are about 1/3 the size. Otherwise, the quality of cover is very good, the size of the book is good, the Good News Translation is good for middle school students and is a translation and not a simplified paraphrase. I would recommend this for older students, such as high school or junior high school, who want a very compact and good looking, sturdy new testament. I would give this bible 5 stars for older students.
