Great, rhyming and accurate Spanish translation. Preserves the rhyming spirit of Dr. Seuss while helping me teach my son Spanish. I recommend purchasing this and the English version if you want to teach your child Spanish (they need the English to compare to the Spanish in order to more easily figure out what the words/concepts mean).

great teaching tool!

I love the cat in the hat in English and I am usually suspicious about translation specially to Spanish, but the rhymes and everything works really well. I love it and my 3 year old does as well. Great fun!

Un libro muy enriquecedor para los niÃ±os. LÃ­stima que no haya mÃ¡s del Dr. Seuss traducidos al espaÃ±ol en la tienda Kindle.

This book was perfect for Dr. SEUSS DAY CELEBRATION at my child's school, especially because spanish is one of their academic subjects. The familiar childhood book

I read these books to my nieces and now for my little one. I'm reading to my child in English, Spanish and Hebrew. I think they did a good job translating the book.

This book was great. I bought it for missionaries in South America. The book was a great price and hard to find in stores in Spanish especially for the low price.
