# God's Generals For Kids Volume 1: Kathryn Kuhlman

## **Synopsis**

Roberts Liardon has established himself as a leading researcher into the lives and ministries of the great healing evangelists. His God's Generals books have been widely read around the world. This is the first book in a series that is known as God's Generals for Kids, and this one deals with Kathryn Kuhlman. This well-written biography will capture the attention of children as they learn about God's power at work in the life of this great woman of God. It will inspire them to want to let God use them in whatever way He directs, and it will help them to develop a close personal relationship with Him. In her official biography by Jamie Buckingham, we find these words about Ms. Kuhlman:It is impossible to write about Kathryn Kuhlman without writing about God. Her life was not her own. In a very real way, she was a daughter of destiny. Chosen. Ordained to be His special handmaiden.

An eye-opener for young and old alike. Few people seem to be aware of this amazing woman and her amazing submission to God. If she were a Catholic, she would be Canonized, I'm sure of it.

So good! My sons love it. Highly recommended.

This is a wonderful series for parents and young children. We bought this book and the following books in the series as a read along with our 7 year old. Not only is she able to read and comprehend the material it is written at a mature enough level have real substance. A must recommend.

I read this book along with my daughter. We both enjoyed reading it. I finished the book within a day and was ready to begin the next one.

My son (whose 11) read this and thought it was a tremendous book!

Very inspiring book for a Christian in there walk with God!!!

Good book for kids AND adults!

Previously read God's Generals (Adult version). While interesting, I did not find this Kathryn Kuhlman biography inspiring. I had earlier read the Smith Wigglesworth biography. It was outstanding.
