Customer Reviews

I loved this! HOT HOT HOT! Suzanne Halliday is an amazing, detailed author. I love Parker, Angie, and all things Justice. A must read.

"He wanted to know what made her happy? Making him happy was the simple, unvarnished answer. And it was the God's honest truth." Giving us an up close and personal view of Parker and Angie's honeymoon, we are privy to their unique brand of love, lust, and hotter-than-hell kink. Lord, these two are steamy! Parker had it all planned out. A private island. No clothes. Endless gifts and romantic settings. Role play and a duffle bag of fun. Parker taking his role as Dom. Angie giving in to her submissive desires. All the while maintaining their whimsy and humor. Their chemistry is off the charts. Their love rooted in their past and as solid as ever. And you will never eat a sundae the same again. I loved reading this book. I laughed, I swooned, and I got all hot and bothered. Phew! This couple is amazing as is the author. Suzanne Halliday writes pure perfection. Can't wait for her next masterpiece!

This is a beautiful book. Yes it is full of hot, kinky sex, and the budding dominant/submission relationship adds to this fabulous story. It is just the right amount of D/S kinkiness. In my opinion, Suzanne Halliday has written an exquisite love story. It has a true honeymoon vibe in a glorious tropical paradise. You feel the emotions and love that plays out through Parker and Angie. As the characters themselves state, their lives have lead to this moment in time. They know each other so well, but there is so much to explore. Marvelous dreams of the future are explored, and a little Jedi is desired. I cannot wait to read more about Angie and Parker in the future stories that come from Suzanne Halliday's marvelously creative mind. This novella actually sets up the previous book (Original Justice). I was relieved to know that everything ends up Halliday ever after! This is a must read if you don't mind a little scorching hot debauchery! Honeymoon Angel is panty-melting sexy, and it's wake up your husband good!! I was lucky enough to get an ARC of this book, and I voluntarily reviewed it.

This book followed Parker Sullivan and his lovely wife Angelina on their honeymoon. The newlyweds found themselves on a private Tahitian Island. They had the time of their lives, their shared some of their memories, fears and even some of Angie's siblings' secrets. It was great to find out more about Sophie. Loved the mention of the Family Justice members. No matter what that clan will always be close to its loved ones' hearts. Just when they thought everything was fine, Parker's past showed its head. Angie took things a little hard when she found out just what the trouble in his past was. But in the end she knew what to do to allow her man to take care of it without worries. HONEYMOON ANGEL is a novella in Suzanne Halliday's FAMILY JUSTICE series.

It was panty-melting, humorous, sexy, adventurous and oh so irresistible. I recommend you all give this book a try. 5++++****ARC given in exchange for an honest review.****

Oh my my my!!! To have a honeymoon like Parker gave his Angel!Suzan just amazes me. With each of her books you just fall more in love with her and her books! This hot summer honeymoon read is a must! The sex is unreal, but most of all the love these two have for each other just warms my heart. All the others do too, but knowing the love Parker and Angie have had for each other since the day she was born is just something so special. Sit back and enjoy, you will not regret it. As always, patiently but anxiously awaiting our next Family Justice adventure!

This sizzling and tantalizing novella left me a sweaty and wonderful hot mess! The perfect balance of very very naughty hot sex scenes and lots of honeymoon love. You are wrapped into the beautiful story that is Parker and his Desert Angel Angelina. Taking body worshipping and baby making is taken to a whole new level, you will not be disappointed what's on the menu with a heaping Alpha sundae on the side!Parker reveals a softer and vulnerable side of his heart while Angie confesses her needs to contribute to the marriage in a way she feels will complete her own heart. Surprises aplenty and lots of sex! You will love the journey that Suzanne Halliday has created in this powerful novella.I won't give away too much more but suffice it to say... I loved it!!! Unwrap this lil nugget and maybe your kindle will power out at 1237am like mine and yes! I waited for the recharge and finished the story. Lol! The lead into Family Justice was perfect and Angie emerges as Mrs. Sullivan ready to support her husband and family with all that it implies. I finally slept with the ocean waves in my head with the faint playing of a beautiful guitar. Thank you Suzanne!

What happens when an overbearing, dominant, lawyer takes his loud, spitfire, submissive wife on a no clothes tropical honeymoon? A whole lot of sexy ,hot, fun!Last time we saw Parker and Angelina they had just been married and where being pushed away to their honeymoon, the destination of which had been kept a secret from Angie. In Honeymoon Angel we get to see just how much fuckerie these two can get up to when left alone with no clothes, and a private island to play on. Fantasies are revealed, boundaries are crossed and the love between the two only grows. Be forewarned this will leave you... needing a cold drink, a change of panties, and wanting more!So much is packed into this super hot novella, making it Another five fireball
ÃƒÂ ÃÃ â•Ã Â¥ÃƒÂ read from Ms. Suzanne and a great addition to the family Justice saga.
