True Knowledge Of The Christ: Theosophy And Rosicrucianism: The Gospel Of John (The Collected Works Of Rudolf Steiner)

Synopsis

Rudolf Steiner approaches this spiritual-scientific task from two perspectives. In Kassel, Germany, he deepens insight into Theosophy and Rosicrucianism, showing their relationship to science and religion. Although presented as an “introduction,” Steiner was never interested in simply providing information. His insights are fresh and with new illustrative examples. These lectures deepen and develop key elements found in his foundational written works. Also featured are the fascinating question-and-answer sessions from the Kassel lectures.

Best Sellers Rank: #649,971 in Books (See Top 100 in Books) #163 in Books > Religion & Spirituality > New Age & Spirituality > Theosophy

Customer Reviews

Rudolf Steiner (1861-1925) was born and grew up in Kraljevec, Austro-Hungarian Empire (now in Croatia). He became a scientific, literary, and philosophical scholar, known for his work with Goethe's scientific writings. Formally beginning his spiritual teaching career under the auspices of the Theosophical Society, Steiner came to use the terms Anthroposophy and Spiritual Science for his philosophy, spiritual research, and discoveries. The influence of Steiner's multifaceted genius has led to innovative and holistic approaches in medicine, various therapies, philosophy, religious renewal, Waldorf education, biodynamic agriculture, Goethean science, architecture, and the arts of drama, speech, and eurythmy. In 1924, Rudolf Steiner founded the General Anthroposophical Society, which today has branches throughout the world. He died in Dornach, Switzerland.

I can't get enough of Rudolf Steiner's books and manuscripts. His knowledge of the Spirit world is

unreal..You can just trust the information he gives out as the TRUTH.

great book: esoteric gold
