## Customer Reviews

Quick and easy read of the essentials! Just enough details to get by with. I recommend this to anyone for a quick orientation to Budapest.

It's a very good guide for Budapest. Amazing tips for the seasoned traveler or a first timer in Budapest. The map, tips on restaurants and sites to see, times and seasons on when to visit are all spot on in this book. So, I have to say this book was very very useful. Wonderful guide and great for travelers in Budapest!
