# The Best Of Baltimore Beauties, Part II: More Patterns For Album Blocks

## Synopsis

In response to overwhelming demand, Elly Sienkiewicz presents a second collection of her most popular out-of-print Baltimore Album quilt block patterns, plus new designs you won't find anywhere else. Over 75 full-scale block and border patterns for Baltimore-style Album quilts, fully annotated for history, symbolism, and construction. Includes 12 NEW Baltimore-style designs from Elly. Features patterns personally chosen by Elly from her most sought-after out-of-print books: "Papercuts and Plenty"; "Baltimore Album Quilts"; "Baltimore Beauties and Beyond, Volume Two"; and "Dimensional Applique". Preface by Elly with commentary on Baltimore Album quilts and the current revival of interest in them. Plus a glossary of terms and complete index for finding multiple patterns of any block style (baskets, bouquets, papercuts, etc.) Note: The printing quality in this copy may vary from the original offset printing edition and may look more saturated due to printing on demand by a high-quality printer on uncoated paper. The information presented in this version is the same as the most recent printed edition. Any pattern pullouts have been separated and presented as single pages.

I absolutely love this book...The patterns are clear and so are the instructions...I bought this book

used and as usual it was in new condition...My goal is to own every Elly Sienkiewicz book that offers...I just love them...

This is a great book for Baltimore album quilt makers. I have made several of the quilt squares. The instructions are clear, the general advice is god..

nice book but need to get volume 1.

Highly recommend!

Patterns and the history of the each. Also stating if it was a classic Baltimore or beyond. This is a must if you are working on a Baltimore Album quilt.

Books are in perfect condition

This is a fantastic book. I have just started making my first Baltimore Album Quilt. If you were to purchase one book, this would be the one, and if you could find the first one, that too would be worth purchasing.

Highly recommend this pattern book. Another great source of inspiration for classic Baltimore Album patterns and Elly's pattern ideas.
