Tidewater Virginia,

Synopsis

Excerpt from Tidewater Virginia Looking for the reason Of the glamour of this name, one is not long in finding that Tidewater Virginia is a blend of romance and fact. But its romance is SO actual, and all the facts Of it are SO romantic - one is SO completely merged in the other; one is SO identically the other - that any effort to divide them is quite as difficult as the problem of unscrambling the egg. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,107,048 in Books (See Top 100 in Books) #80 in [Books > Travel > United States > Virginia > General](#)

Customer Reviews

The so-called rivers of the Chesapeake Bay are really tidal by nature until they are blocked by falls of the highlands beyond. Paul Wilstach describes each starting with the first colony on the James and ending with Geo. Washington, and the nations new Capital on the Potomac. The cover provides the best description of the text that refers to the History of the area, its romantic Plantation Mansions, and the celebrated personages who gave it galmour. Five of the first seven presidents were born, raised to the level of prominence from Virginia so much of which comprises the tidewater. But that is just the beginning. Other famous beings owe their heritege to the wetlands of Tidewater Virginia, folks who left their mark either on the soil or "in it" since many were buried in the

yards of the Plantations they developed. As a geography of such an important area, it is superb. Inside its cover is a map of Virginia that locates the major households and speaks of their importance and the contributions of the residents. I would consider it a must read for anyone captivated by the Revolutionary and Civil Wars because it gives such a great lay of the land, and description of the vicissitudes of the wars in that area. I was unfamiliar with it before, but the knowledge the book provides opened my eyes to the significance of the times and places of the Tidewater. Highly recommended, even to locals who may lack a sufficient knowledge of its importance to the American Nation.

Really a good book to look back into the past of Virginia.
