Perfect, this is exactly what iv been looking for as a gift for a penguin fanatic I know :) all the pictures were wonderful & she absolutely adores it

Bought this for a friend's birthday to jump on the current wave of coloringmania and because she loves penguins. It's great that there's such a good collection on of different themes to color. The pages were interesting and varied, all penguin-themed as you would expect, judging from the title. Good price. Came within delivery window.

Nice variety of pictures.
