## Customer Reviews

Wonderful and full of optimism. The recipes are delicious -- but not less important is the drive for this book. Ms. Dasuki is a talented writer and a cook, and a true believer in our ability to make this world a better place for humans and animals. And have fun while doing so.

It is a lot more than just another cooking book! It is "cooking with a mission", with messages for peace and delicious smells of objective love. Cooking where opposites meet and harmoniously live together, even when it seems impossible. This book is inspiring, creative, has super-tasty recipes! colorful and irresistible dishes. Perfect gift for vegans, health enthusiasts, to anyone whom World Peace means something to them. Rare and unforgettable book. It is full of soul. Touched my heart. I love it and I highly recommend it. Five Stars!!!!

Fabulous book! Just cooked a beautiful meal using three of the recipes from ingredients in my store cupboard. Well illustrated and with the lovely little anecdotes that give soul to cookery, Kifah Dasuki has put together an absolute delight of easy-to-follow recipes from her homeland. Highly recommended.

Great book containing vegan versions of Arab food. So delicious!
