## Customer Reviews

Steele Filipek lives in New York, New York.

A must have for any NASCAR obsessed child. My son loves it. He started reading it at age 6 and is now 7 and pretty much has it memorized. Probably a bit too detailed for a kid that isn't interested in racing.

Book in good condition and gained knowledge about subject

Very well written & totally interesting! If you're a NASCAR fan, be sure to get this one! You won't regret it.
