great recipes !

Hoping to use this one in new home.

Following a keto diet these recipes have too many non keto ingredients too low in fats and use molasses and honey . they are probably fine for paleo low carb but would lose much in taste and texture it converting to keto

Apples and carrots are examples of too many carbs. Recipes not very interesting nor do they wet my appetite. But it was free.

A good starter cook book for going low carb keto diet. A good introduction to low carb eating. Or so it is called keto woe. Keto way of eating.

Great just dump and you got it!

Low- carb eating requires meal planning and prepping . A Dump meal is a meal you can dump in a single pot, dish, or bowl and then forget it. The Thai Beef Curry and the California Chicken sound delicious.

Yum
