Mass In B Minor In Full Score (Dover Miniature Music Scores)

Synopsis

The crowning glory of Bach's achievements in sacred music, the Mass in B Minor represents a powerful statement of Christian faith. Composed over more than two decades, this unprecedented work pairs deliberately archaic polyphonic sections with far-sighted modern ones, creating a vast, symmetrical plan of almost theatrical proportions. Scored for five solo voices, chorus, orchestra, and continuo, this towering masterpiece is reprinted here from the authoritative Bach-Gesellschaft edition. The work appears in full score, with bar-numbered movements and ample margins at the bottom of each song page for notes and analysis. Ideal for study in the classroom, at home, or in the concert hall, this affordable, high-quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.

Customer Reviews

Johann Sebastian Bach was a prolific German composer and organist whose sacred and secular works for choir, orchestra, and solo instruments exemplify the heart and soul of the Baroque period. A revival of interest and performances of his music began early in the 19th century and continues to this day.

This miniature scores are great. You probably need decent eyesight though, and not the best to take notes on, but for a little study score that doesn't take up much space, it's perfect.

Everything arrived perfectly, the book was in superb condition.

Not as small as i feared. Easy to read, but pages don't lie flat, of course. And of course you will encounter C-clefs; it is the Bach-Gesellschaft edition, after all. I am very pleasantly surprised. This is a great bargain!

This is a well done score, but please be aware that it is small and uses the C clef instead of the more common bass and treble clefs.

Great to have when I needed a full score in a pinch!

Great to take to concerts, but not the best overall edition.

Hi, Thank you very much for quick shipment. I can enjoy this during this weekend. It's was just as I expected.

It's a good looking score and the print is nice and black. Shiny cover. Pleasant surprise. I congratulate myself!! Thanks.
