Guilty As Sin

Synopsis

A cold-blooded kidnapper has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a startling act of evil. But when a second boy disappears, a frightened public demands to know: Have the police caught the wrong man? Is the nightmare continuing...or just beginning? Prosecutor Ellen North believes she's building a case against a guilty man - and that he has an accomplice in the shadows. As she prepares for the trial of her career, Ellen suddenly finds herself swept into a cruel contest of twisted wits, a dark game of life and death...with an evil mind as guilty as sin.

in Books > Mystery, Thriller & Suspense > Thrillers & Suspense > Legal

Customer Reviews

I gave this sequel a two stars bc it wasn't as grasping as the first. It felt like the storyline was being dragged and no real pull. Every conversation felt like it was on repeat and it ended so fast. I read it because I wanted to know what or who was the kidnapper. And honestly, I skipped a lot of it bc it was dragging.

First of all, this sequel really should have been announced somehow--like at the end of NIGHT SINS. Ellen North, the heroine, never really impressed me, yet I still wanted her to succeed. Jay Brooks is sexy. Running from his pain is somewhat overdone. Ms. Hoag's heroes tend to be cut from the same cloth--guilt ridden, raw-boned, smoky voiced. They're all sexy, though, because they are mostly the same. Megan O'Malley, the heroine in NIGHT SINS, receives nice closure. Mitch Holt,

the hero in the same book, is still a nice guy. Paul Kirkwood still never gets his comeuppance--not really. Considering what an ass he is, he should have been run out of town. Hannah Kirkwood is a solid character, and I like the idea that she can start over and not only give her children a fresh start, but maybe find happiness with the sexy priest, Tom McCoy. I never felt more than sexual attraction between Ellen and Jay and had to take their word that they'd fallen in love with each other. However, these two books tell a very thorough and compelling story. GUILTY AS SIN is still open-ended, like NIGHT SINS, but it works out okay. Ms. Hoag is a talented writer. If you enjoy romantic/suspense tales I believe you will enjoy this book. It is certainly worth reading. Shelley Dawn, author of *Ã Â Sweet, Sweet JessieÃ Â* and *Ã Â Dark Nights*

This book finishes the story started in Night Sins. Actually I liked this book better. The story moved at a faster pace and kept me wanting to read more. I would recommend these books but read Night Sins first.

I gave it a 4 as I think it dragged out to long , I love Tami Hoag she's up with the best of them a Masterful Writer but some times I wish I said I wish that it wouldn't drag out.

I know this book has gotten some bad reviews, but I honestly enjoyed it. I read Night Sins first and was completely engrossed in the story so I continued reading Guilty As Sin and just as with the first book, I didn't want it to end. I loved all the plot twists and the characters. It was a nice diversion for me to get lost in the pages of the story for awhile. Give both books a chance. Read them and form your own opinion. You may just be pleasantly surprised.

FANTASTIC!!!!!! BoY did I like this book! Thank goodness I've already bought the third book. Tami Hoag is a writer who keeps you guessing all the time. Bravo!

Guilty as Sin is the second in the Deer Lake series. You should read "Night Sins" first, then this one. As a mother I was afraid to turn the pages in Night Sins for fear of what I would learn, but once I got into it was captured and it became a page-turner. It has twists and turns and is a really good 'who dun-it' with a bit of romance included along with the suspense. Very creative plot. While I generally figure out the end, this one was a surprise! But of course you have to read both books to get the full story.

Another great book from Tami Hoag
