Synopsis

This one-of-a-kind folio was created specifically for Alfred Music. Jim Brickman hand-picked the songs in this collection, some of which have vocals and instrumental solos showcasing other artists. These are the best love songs from all of his earliest albums and from his Visions of Love release. This is not an album-matching folio. Customer Reviews

I love all the songs on this CD, so I couldn't wait to play them on the piano. The songs are for vivid piano players, usually with first-class piano abilities. I am 13 and playing college-level songs, so this book is wonderful for me. It is a good challenge, but once you get the hang of the pieces, they're a lot of fun to sing to.
