Customer Reviews

Spectacular print! I saw that I could buy these on Kindle but the physical copy is so satisfying to read and look at! I highly recommend any fans of the Kindle series to buy these copies

I don't know what I was expecting when I bought this comic. I thought it was going to be a slice of life comic, but boy was I wrong. I should have known it was sci-fi by the writer (or reading the description thoroughly).

SUCH a fun series and reminds me of Stranger Things and the Goonies.

I loved it!! It's strange but in a good way. It hooked me from the beginning and I just couldn't put it down. I have already bought the second graphic novel but I'll try to go through it slower lol.

Loving this story. I have no idea what's happening, I want to guess but I feel I may be wrong.

Loved it! Good flow, interesting characters. The TV show Stranger Things reminded me how much I liked the scrappy kids on bikes thing, but this time it's a gang of scrappy girls! I can't wait to read the next issue!

Such a great volume. Interesting story and characters. I can't wait for volume 2!

It's an interesting story but it is compelling enough for me to purchase volume 2. I'm going to have to reread this one. I did enjoy art.
