## Synopsis

He makes me gasp. His partner makes me scream. But I love it anyways. After my sister died, I took a job at her husband's firm to help out. It was just a temporary thing. They were so buried with work that I figured the temp job would be just that. Something temporary. But then Brian started giving commands. Things that made my face flame. He's my sister's ex, sure. But he's also the boss. How can I say no? And when he and his business partner, Jed, invite me to their office for an after-hours chat, something tells me that things will start getting questionable. Something tells me that these two men have a lesson planned for me, where I'll be doing everything and anything they want, just to earn my paycheck. And when this temp job is done, the on the job training won't be over. Because I'll be doubled up, begging them for more. And the question is - will I ever get enough? This is a steamy novella with M/M, MMF and MFM action that will make your panties melt right off. HEA guaranteed. Includes three bonus books for your reading pleasure.

## Customer Reviews

I just wish that there is a sequel to it. Liked do they have kids? Do the family find out their true relationship?

This was the first delicious dark MMF read by Cassandra Dee and I was not disappointed. The taboo aspect with the perfectly developed plot and character development was all there. This is one I absolutely will reread. A young girl, two hunky males, and a story you don't want to miss!

This is a short and hot story with enough of a storyline to hold my interest and not be too boring. It's dirty m/f, m/m, m/m/f and so on....And you get 3 bonus stories so this a good bargain. So if you're looking for hot and dirty that's easy to read this is it.

And this one was GREAT so much so that I bought it even though I already volunteered for an Advance Reader Copy. Ms. Dee has included ADDITIONAL BOOKS! Can't beat that! The story goes like this: Brian is married to Hannah but lusts after her 18 yo sister, Angie, who incidentally, lusts after him. Because Brian hasn't had sex for so long he's started desiring his law partner Jed. What?! We find out that Hannah is into sex just not with her husband and the WHOLE TOWN KNOWS ABOUT IT! You MUST read this story, so well-orchestrated to get the three lovers together and then FIREWORKS!!! Highly recommend this story. I hope there are more MMF stories percolating in Ms. Dee's brain, wink!

Best book ever, I love mmf and really enjoyed double exposure and the bonuses, Cassandra knows how to bring it raw nasty and slutty with the baddest bad boys who r depraved

I really enjoyed this book. The characters were interesting and the story line was good. I couldn't put this book down until I finished it.

This book was great. The first story was exciting and all the little stories after were just as interesting. I really enjoyed this book.

Ugh what a short book. The story was quick and very short. There was no real romance. Just trashy sex.
