# First Of The Tudors

## **Synopsis**

A stunning audiobook of the Tudors from the best-selling author of The Agincourt Bride. Jasper Tudor, son of Queen Catherine and her second husband, Owen Tudor, has grown up far from the intrigue of the royal court. But after he and his brother Edmund are summoned to London, their half brother, King Henry VI, takes a keen interest in their future. Bestowing earldoms on them both, Henry also gives them the wardship of the young heiress Margaret Beaufort. Although she is still a child, Jasper becomes devoted to her and is devastated when Henry arranges her betrothal to Edmund. He seeks solace in his estates and in the arms of Jane Hywel, a young Welsh woman who offers him something more meaningful than a dynastic marriage. But passion turns to jeopardy for them both as the Wars of the Roses wreak havoc on the realm. Loyal brother to a fragile king and his domineering queen, Marguerite of Anjou, Jasper must draw on all his guile and courage to preserve their throne - and the Tudor destiny.

## **Book Information**

Audible Audio Edition

Listening Length: 14 hours and 46 minutes

Best Sellers Rank: #205 in Books > Romance > Historical > Tudor #1000 in Books > Audible Audiobooks > Romance > Historical #2386 in Books > Audible Audiobooks > Fiction & Literature > Historical Fiction

## **Customer Reviews**

I really enjoyed the author's view of Jasper Tudor. There are not a lot of novels written with him as the main character, this is a good one. I recommend it.

Interesting but fictional account of Jasper and Edmund Tudor, but skips years at a time, then ends before Henry VII takes the throne. Since so little is known about Jasper, this book should be taken as pure fiction. The writing was not so good that I could overlook many misspellings and typos.

Very hard to get into.

Easy read, great story ...giving you thoughts towards characters you have not met in other books of that era. Fun to read!

As a Plantagenent loyalist I was not keen on delving too deeply into the "enemy encampment" but now glad that I did. Was entertaining and thought provoking. No matter which side your sympathies lied, Jasper Tudor was a man to respect.

Very good read. J. Hickson is a wonderful author.

very poor written, not historically correct, no research at all.

Hard to follow. Poorly written.
