Customer Reviews

Even though I have read both the old and new testament many years ago I thought it would be interesting to review those religious books by reading the fantastic [“Quick Study Academic outlines.”](#) This Old Testament outline is six pages long with a laminated cover. This outline covers an enormous amount of summary material about the Old Testament and covers the following: The Pentateuch (Torah, the five books of Moses), Exodus, Leviticus, numbers, Deuteronomy, Old Testament history including Joshua, Judges, Ruth, 1st Samuel, 2nd Samuel, Kings #1, #2, Chronicles, Ezra, Nehemiah, Esther, the Major Prophets, (Isaiah, Jeremiah, Ezekiel, Daniel), the Minor Prophets, (Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum), wisdom, literature, poetry, and a lot of other essential material for those studying The Old Testament. It is important to note that reading the outline alone will not give you the important details you will find actually reading these ancient religious books. If you are seeking an overview of The Old Testament you should check out these summary guides. Rating: 5 Stars. Joseph J. Truncale (Author: Zen Poetry Moments: Haiku and Senryu for special occasions).

Nice product, fast shipping, and exactly as described. Thank you.

Satisfied

Great information in one place.

Good for the purpose. Has all elements needed for help in studying the Bible. Would recommend for anyone needing a short review.

I haven't really used this yet, I bought it for school, however it doesn't have as much info as I thought it would...

Thanks!
