# Learn Oils Quickly (Learn Quickly)

## Synopsis

Bestselling artist and writer Hazel Soan has distilled her teaching into a concise guide that focuses on the things that matter most to aspiring painters. Not only can oil painting techniques be picked up relatively quickly, but the medium is relatively forgiving, allowing novices to easily correct their mistakes. Soan offers advice on materials (keeping things to a minimum), mixing colors, basic brush techniques, and using a palette knife. With the easy-to-follow exercises and demonstrations to hone your skills, you'll soon move on to still lifes, flowers, animals, landscapes, figures, and portraits.

## Customer Reviews

Hazel Soan is a popular and successful artist who divides her time between London and Cape Town, exhibiting her work widely. She has her own gallery in Fulham, London, is author of eight bestselling books for HarperCollins, and has made several successful DVDs. Hazel was one of the art experts in the popular Channel 4 TV series Watercolour Challenge. Her books include the very successful Collins Gem 10 Minute Watercolour (HarperCollins).

This is a terrific book by Hazel Soan. I am an oil painter for the last 9 years and can always learn more. (I studied with several wonderful oil painters - Scott Christensen and Matt Smith - but I was painting only in pastel at that time.) This book has become part of my collection of Hazel Soan books. My wish is that it was the same size as her other books I own - 9 1/4" x 10 1/4". The wonderful images would be larger - very worth it. I am inspired to travel to the coast or big body of

water - best I have where I live here in the desert Southwest is a tiny trail of water called Santa Fe River!

Good but not quite what I expected

Easily understood basic techniques. Easily accessible and inexpensive tools. Now I can jump in and experiment. I am a beginner to painting.

I'm new to oil painting and I found this full of useful instructions and examples. Great little book.
