The Trail Of Blood: Following The Christians Down Through The Centuries - Or, The History Of Baptist Churches From The Time Of Christ, Their Founder, To The Present Day

Synopsis

Table of Contents INTRODUCTION by Clarence Walker "Marks of the New Testament Church" FIRST LECTURE Some Unerring, Infallible Marks The Chart First Period: 30-500 A.D. SECOND LECTURE: 600-1300 A.D. "The Trail of Blood" THIRD LECTURE: 1400-1600 A.D. "The Trail of Blood" FOURTH LECTURE: 17th, 18th, 19th Centuries FIFTH LECTURE: Religion in the United States "The Trail of Blood in America" SOME AFTER WORDS FUNDAMENTAL DOCTRINES "Dr. J. M. Carroll, the author of this book, was born in the state of Arkansas, January 8, 1858, and died in Texas, January 10, 1931. His father, a Baptist preacher, moved to Texas when Brother Carroll was six years old. There he was converted, baptized, and ordained to the Gospel ministry. Dr. Carroll not only became a leader among Texas Baptists, but an outstanding figure of Southern Baptists, and of the world. "Years ago he came to our church and brought the messages found in this book. It was then I became greatly interested in Brother Carroll's studies. I, too, had made a special research in Church History, as to which is the oldest Church and most like the churches of the New Testament. "Dr. J. W. Porter attended the lectures. He was so impressed he told Brother Carroll if he would write the messages he would publish them in a book. Dr. Carroll wrote the lectures and gave Dr. Porter the right to publish them along with the chart which illustrates the history so vividly. "However, Dr. Carroll died before the book came off the press, but Dr. Porter placed them before the public and the whole edition was soon sold. Now, by the grace of God, we are able to present this 66th edition of 20,000. I want to ask all who read and study these pages to join me in prayer and work that an ever-increasing number shall go forth. "To make all men see what is the fellowship of the mystery which from the beginning of the world hath been hid in God, who created all things by Christ Jesus; to the intent that now unto the principalities and powers in Heavenly places might be known by the Church, the manifold wisdom of God ... unto Him be glory in the Church by Christ Jesus throughout all ages, world without end, Amen." (Eph. 3:9-10, 21)" -Clarence Walker

Customer Reviews

Please take note that this printing of The Trail of Blood DOES NOT CONTAIN THE CHART. I found the chart in an older version luckily and was able to use it for my church group. The book refers to the chart throughout, yet there is no chart to be found in this printing.

This is a good book for those who want to learn where Baptists suppose their history comes from. It is better once you have learned a little more about church history, as there are many fallacies used in this book. That may have more to do either with the fact that it was based only on baptist books and histories on the subject, or the fact that compared to today, it was still not nearly as easy to come by information then as it is now. Out of their conclusions as well, it is important to note that large portions of scripture must be ignored to come to said conclusions, and several have no actual scriptural basis as well (although some ideas that don't actually have scriptural ties would be good practice in general apart from matters of faith).

Good book on the history of the Baptist Faith

Though this book is short on details and specifics it gives an excellent overview of Baptist history. This is a great place to start if you want to study Baptist history. There is an extensive list of books cited at the end of the book to help you on your way to learning more about the struggles Baptist have overcome to become the faith we are today.

An excellent book. I would highly recommend it to everyone.

Interesting history of origins of the Baptist faith.

The original book is great, but this reprint left out the chart - which is mentioned throughout the book but is not included. I just purchased some of these for a class, but now will need to print the chart

myself from the old tiny first publication.

This is a brief but excellent history of the Church from the days of Christ to our present day. This. Should be required reading for new members of Baptist Churches today.Pastor James BaileyVirginia
