Visioneering: God's Blueprint For Developing And Maintaining Vision

Synopsis

Lift Your Vision High Vision is a preferred future. A destination. Vision always stands in contrast to the world as it is. Visioneering, according to bestselling author Andy Stanley, is "a clear mental picture of what could be, fueled by the conviction that it should be." With warm, down-to-earth practicality, Andy Stanley explores the ordinary life of Nehemiah and his God-given vision for accomplishing the extraordinary. He shows how the life of this great ancient visionary, determined to rebuild the ruined walls of Jerusalem, reveals principles that can prepare us to find and follow God's multifaceted vision for our own lives. In the best-selling Visioneering, Stanley builds a compelling case for the necessity of a clear, God-ordained vision for each of the roles of your life. Whether you're a parent with a vision for your children or a CEO pursuing a corporate vision, Visioneering is the perfect tool to help you develop and maintain God's unique purpose for your life. Andy Stanley, the pastor of more than 15,000, knows a lot of people, and is well aware of the overwhelming and mutual desire nearly every Christian holds to find and fulfill God's purpose for their lives. This book was written to stir these hearts and move people forward by providing tangible steps to getting from Point A to Point B. "As Christians," states Stanley, "we do not have a right to take our talents, abilities, experiences, opportunities, and education and run off in any direction we please." This book was written to provide a specific plan for going in the right direction. It truly is "God's blueprint for developing and maintaining personal vision."

Book Information

Audible Audio Edition

Listening Length: 9 hours and 20 minutes

Program Type: Audiobook

Version: Unabridged

ASIN: B00DP7JYKW

Best Sellers Rank: #28 in Books > Religion & Spirituality > Religious Studies > Leadership

#221 in Books > Audible Audiobooks > Religion & Spirituality > Christianity #337 in Books > Christian Books & Bibles > Christian Living > Personal Growth

Customer Reviews

I enjoyed it

If God has given you a vision, these set of tapes will teach you how to engineer your vision. You will then become a Visioneer. These tapes will encourage you on how to keep going forth in the vision God has for you. It will relate to you what you will come against, who you will come against, how they will come against you, with what they'll come against you, and how to handle those things which oppose you. It will also show you how to press on in spite of contrary forces. However, the instruction found on these tapes will advise how moral integrity must remain and how any vision must die if moral integrity would be compromised. I bought 3 different sets to share with visionaries.

In contrast to many books on leadership, even those written by Christian leaders, Andy Stanley manages to draw out over a dozen key principles from the story of Nehemiah's journey in leading the people of Israel to rebuild the walls of Jerusalem. I have appreciated some of those more secular leadership books, including Stanley's "Next Generation Leader," as I have tried to development my own skills, but I found his biblical approach here to be refreshing. I used the audiocassette version of this book, which was read by Andy Stanley and presumably significantly abridged. So, I cannot attest to the entire text of the book. However, even in bulleted form with the key points highlighted in the audio version, there was much wisdom to glean from Stanley's analysis of Nehemiah. I highly recommend this leadership book, particularly for leaders within the church, and I look forward to listening to it again!!

The only thing lacking is a study guide for small group or Team study at your local church. The techniques are biblical sound. A must read for those who want to know how to create, cast and live out their vision.

I bought an audio book assuming a CD or MP3 but got cassettes with no way to play them - the product is in the trash and I will not order another audio book from
