Philippines: An Expat's Travel Guide To Moving & Living In The Philippines

Synopsis

Are you or someone you know contemplating or making plans to live in or move to the Philippines? If you or someone you know would like to avoid the pitfalls, silly mistakes, and challenges that many expats face when moving abroad then this book is for you! Here are the facts, tips, and steps you should take if you are planning to move to the Philippines in one easy to read travel guide! Get your questions answered and learn:

- What important documents do you need to take with you?
- What kinds of residency programs are available?
- What educational opportunities are available?
- Where are the best places to stay?
- How much money will you need to live comfortably?
- How to save money on flights, transportation, accommodations, dining, and shipping costs.
- And much more!

You will also learn:

- What are the common things you will need to get used to when living in the Philippines?
- What are exciting things to do for fun and leisure?
- What kinds of jobs are available?

Unlike most travel and country guides, this book is written in an engaging, informative, and enjoyable tone that makes this book a fun and easy read.

Customer Reviews

Quite small.

The book is an awesome! I plan to travel to that wonderful place in summer, and will use this book as a travel guide! Very nice and understandable written book, excellent descriptions and high quality of that book impressed me very much. Also want to mention it's bright colour and nice photo. You can also use that book for more information about Philippines, not only as travel guide.

Thank you Alex for this very informative book. I had always wanted to visit the Philippines, now I am more excited about going there. And after reading your book, a possibility of living there maybe in my future. Thank you for all the detailed information about daily living, health, finances, fun and leisure, and the government. Your book brought out things I had never thought of. Wonderful book.
