The Aroma Rice Cooker Recipe Bible: Easy Rice Cooker Recipes

Synopsis

Versatile and convenient, rice cookers are perfect for how we cook today: Versatile and convenient, they have push-button technology, don't take up too much counter space, and are easy to clean. For Christmas 2015, that was me. My grandmother thought it *could* be a super useful gift for me as I bought my first apartment. "Set it and forget it, child," is what she said. I *will* never forget the way she said it either. I didn't even know how to turn the darn thing on! But one day, she sent me an email and asked me how I was doing with it. Panicked, because I didn't have the heart to tell her it was still in the box, I struggled to find an explanation. But as I got to the bottom of the email, she shared with me some of her favorite rice cooker recipes. That night, I started to use it and haven't turned back. I even stopped eating out so much! Saving me money and improving my health slightly.

Customer Reviews

I love my small rice cooker, and wanted to steam fish and veggies with my rice for one pot meals. I

bought a larger rice cooker to get one with a bpa free plastic steamer basket. (Any one know where I can get a bamboo basket?) I like the simple cooker with just cook and warm settings. Mr. Sutton has some tasty recipes that can be made in a simple rice cooker. I was disappointed that 1/3 of the 26 recipes require the newer cookers that have multi-settings and lots of buttons. These machines function as slow cookers and even as pressure cookers. They even have a special porridge setting. He only had one recipe using the steamer basket. Should have titled cookbook to indicate many recipes were for these advanced rice cookers-plus.

Nice

Pretty good, explained how to use. I've made rice and 'steamed' pasta elbows. Great for rice, amount of water determined how WELL rice is cooked. I've even put in one cup rice and one elbow macaroni and steamed for 13-15 minutes. Then drained. Both came out cooked. Going to do rice and veggies next.

Have not used any of the recipes yet.. but lots to chose from.
