GreatTimelyMet expectation

This was a gift. My friend thought it was very good.

This is not really easy piano music. But it does follow the orchestral arrangement I have on a CD so I can practice with the pros.

Beautiful song...gave to a young piano player for a gift. thank you.

This is a wonderful rendition of the piece. Easy to play for any level of experience on the piano. I'm personally not a huge fan of opera, but I simply love this piece of music and was extremely happy to have found a simple to understand version without a lot of orchestral notes in the arrangement. Beautifully elegant in its simplicity.
