## Customer Reviews

Loved it.

I was very disappointed. My mother was born on St.Croix in 1913 and I was interested in reading about the history of the island. The book is almost entirely about St.Thomas. Maybe half a page about St.Croix, the largest of the three islands.

For months I have been attempting to research the history of St Thomas for our upcoming vacation. Finally I found this book and it was exactly what I was looking for. The postcards really added to the narrative. The information in the book will come in handy when my husband and I do a self guided walking tour of Charlotte Amalie.

I like this booklet gave me more insight to my place of birth.

A short but complete history of the U.S. Virgin Islands. Great pictures. Worth reading!
