The Best Of Mark Hayes - Volume 2

Synopsis

(Shawnee Press). A follow-up to the smashing success of his inaugural compilation. This potpourri of praise from the renowned composer and performer is a must for every pianist. This stellar second volume focuses on contemporary classics arranged with that unmistakable Mark Hayes touch.

There are several selections written especially for this collection making this an essential and permanent addition to your keyboard library. Contents: Great Is Thy Faithfulness * People Need the Lord * How Majestic Is Your Name * In Christ Alone * Sing to the Lord * The Light of the World Is Jesus * Praise His Greatness * He Giveth More Grace/No One Ever * Sing Hallelujah * Alfred Burt Carol Medley * Resurrection Medley * Pass It On * Interlude * The Love of Jesus Medley * I'd Rather Have Jesus.

Customer Reviews

The music is not easy but for church pianists looking for quality music to perform for service music Mark Hayes is a required resource.

It was much more challenging than I had anticipated, especially compared to some of his other books I purchased. I would call it a Volume 2 1/2 or 3, but I did not have Vol. 1 to compare. That is the problem with buying music sight unseen. I wish I could share a peak of the music before we buy. Most of the music arrangements in this book are beautiful and well done, but there are a few that just have too much repetition and frankly are too difficult for me. On the whole, I like the book and I

love Mark Hayes arrangements. I have three of Mark Hayes Christmas books of original arrangements and I love them. Those arrangements are some of the most beautiful I have ever played.

Mark has a way of writing arrangements that sound professional and advanced! Mr. Haye's sound is like no other arranger I've ever played from. His pieces are challenging yet fun to play! I've been the church pianist of my church since Fall 2010 and I incorporate Mark Hayes arrangements into my preludes, offertories and postludes very often!

The selections require a bit of practice. Not the sort of "I need something fast" collection. But I like the arrangements and will put the necessary time into them.

My daughter received this and other Mark Hayes collections and uses for Sunday morning worships. Beautiful arrangements.

I bought this for my husband's birthday and he was thrilled with it. He worked on learning several arrangements before he died recently three months ago. I would not part with the book and am working at learning the arrangements myself, in memory of my husband and also because I love Mark Hayes's work.

Delivery on time of this excellent Mark Hayes book.

I really love Mark Hayes' arrangements. Can't stay away from the piano when I get his books.
