## Customer Reviews

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling.   
Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways:   
1. Specific, detailed directions are given on how and upon what to meditate.   
2. Personal examples of dreams from the author's own experiences.   
3. Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one

possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God – and those from evil sources.

Ira and Judy Milligan founded Servant Ministries, Inc. in 1986. They present life-changing seminars including: Dreams and Their Interpretation; Counseling and Inner Healing; Spiritual Warfare; and Prophets and Personal Prophecy. Ira has been a guest lecturer at Oral Roberts University.

Such an awesome tool to have! We bought this one because our other one was always getting lost. One of the kids, myself, or my husband are always using it and then putting it somewhere... So we bought a backup! This book has a lot of biblical understanding to the "random" things in your dreams. We have been blessed to have been able to attend a conference with Ira Milligan and he is definitely a man of God! He has done extensive work figuring out the meaning behind the dreams we dream and our family is very grateful he has! Knowing the general idea of what "that weird" dream means has given us the ability to know how to pray and how to better discern what God is telling us through our dreams!

The book was recommended to me, however it was not really what I expected. The man may be right but appears to me to be highly speculative. To me if God gives you a dream and He wants you to discern what He is talking about, thru your own prayer He will reveal the answer. As He did to Daniel.

I was very disappointed in this book. It mainly listed the definitions of words you use daily but are also in the Bible. An example would be Beauty Shop = vanity (not too hard to figure out). If the word can be found in the Bible, it lists the scripture attached to the word. It reads like a dictionary and I couldn't really figure out how to interpret my dreams any better than before reading it.

I bought this book because I started having dreams that spoke to something deep inside of me. Psalm 42:7 says "Deep calls to deep in the roar of your waterfalls; all your waves and breakers have swept over me." Joel 2:28 states "I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions." I grew up in a God-fearing home which didn't talk or know much about things like dreams, visions, gifts of the Spirit, etc. So, when I needed help figuring out what God was trying to say to me through dreams I didn't feel I could ask any of my family. I decided to ask a few close friends and they

pointed me toward this book. I have to say that this book has been used by God to change my life. God showed me the condition of my own heart through dreams and brought me to a place of true repentance. I am still growing in Christ but thanks to the Lord Jesus Christ, the Bible, and this book my walk with Christ has deepened. If you are just starting in your journey of listening to God through the language of dreams, my advice is to be prepared to be humbled. It may not be fun to see your heart's true condition (which we all think of our own heart as pure but sadly many like myself have been deceived by ourselves) but in time the Lord will lift you up and you will see Him for the loving & merciful Savior and King that He is. Most of all, you will see that you are loved by Him truly. Cheers!

This book was recommended by Brian Guerin during a class I was taking. It is an excellent resource for understanding dreams.

Not what I expected it's views are more personal n not as scriptural broken down and explained as to why certain things represent what they do

I have the orange initial version this one is even greater.

Satisfied
