Customer Reviews

Nothing very special many other sources could have provided the same for free if googled. Would

have liked to see much more exercises in detail for each body part.

Just started reading I will get back to it so sat so good

Great book. Thank you.

Awesome product, Awesome seller! *****

Excellent workout

Exciting

This is an excellent book and is very helpful for having a good and thorough workout. We are both using it and it has from beginner to advanced exercises

Provided specifics and gives specific workouts. Everything you need to use your medicine ball.
