A Practical Guide For Raising Rabbits And Tanning Skins

Synopsis

A comprehensive guide to raising rabbits for meat or show. Rabbits are second only to dogs and cats as to the number owned in the US. They are popular with FFA, 4-H, and small farms. The author has touched all bases for keeping rabbits from genetics, nutrition, diseases, and transporting to how to butcher, use the meat and tan the pelt.

Customer Reviews

Not bad, overall. Not much new info for experienced rabbit farmers or hide tanners. I was hoping for more from this book, but I would recommend it to anyone starting out in raising rabbits for meat and hides.

Not much information on tanning hides. Though it is practical. Could be more in depth, even for the beginner.
