Egyptian Mythology: Captivating Stories Of The Gods, Goddesses, Monsters And Mortals (Norse Mythology - Egyptian Mythology - Greek Mythology Book 2)

Synopsis

Captivating Stories of the Gods, Goddesses, Monsters and Mortals This book on Egyptian mythology is part of the best-selling series "Norse Mythology - Egyptian Mythology - Greek Mythology." In this ultimate guide on Egyptian Mythology, you will discover captivating stories of the Gods, Goddesses, Monsters, and Mortals. In this book, you will also find factual history as well as insightful information regarding Egyptian mythology. This book is broken into three parts:

- Fantastic Images
- Ancient Egyptian myths and legends as we know them today.
- Factual History
- Covering pre-history through classical antiquity.
- Unraveling Myth
- Looking at Egyptian mythology from a fresh perspective.

This book is jam-packed with fascinating facts and stories. For instance, it covers perhaps the most popular of all the Egyptian stories - the myth of Osiris. Pieces of this story have been found throughout Egypt. One of the most appealing aspects of the Osiris myth is the human-like behavior of the gods within the story. Many of the other gods of the Egyptian pantheon were rather emotionless and their stories far less interesting. With the Osiris story, the gods display a broad range of emotions that made them more real to mere mortals. Just some of the questions and topics covered in this book include

- Egypt in Context
- Creation
- Fall of Humanity
- Osiris Myth
- Chief Gods of the Egyptian Pantheon
- Lesser Known Pantheon
- Secrets of Giza
- Sphinx and Pyramids
- King List
- Ancient Egyptian History
- Classical Antiquity
- Dragons and Other Creatures
- Osiris, Isis, Seth and Horus
- The Meaning of Myth

Kindle Unlimited NOTE I read this in the triple pack, listed below, so all 3 are mentioned. Discover the captivating beliefs of the ancient Greeks, Egyptians, and Vikings in this book on Mythology that contains three manuscripts. The first manuscript in this bundle is the bestseller called Greek Mythology: A Captivating Guide to the Ancient Gods, Goddesses, Heroes, and Monsters. Manuscript 1: Greek Mythology: Captivating Stories of the Ancient Gods, Goddesses, Heroes, and Monsters This first part includes some of the standard views of Greek myth and history but also tantalizes your imagination with the possibilities that lay behind myth and legend. By the time you are finished with this part, you will have a good appreciation for the nature of Greek mythology and the gods, monsters, and heroes which populate it. Manuscript 2: Egyptian Mythology: Captivating Stories of the Gods, Goddesses, Monsters and Mortals, This part is jam-packed with fascinating facts and stories. For instance, it covers perhaps the most popular of all the Egyptian stories - the myth of Osiris. Pieces of this story have been found throughout Egypt. One of the most appealing aspects of the Osiris myth is the human-like behavior of the gods within the story. Many of the other gods of the Egyptian pantheon were rather emotionless and their stories far less interesting. With the Osiris story, the gods display a broad range of emotions that made them more real to mere mortals. Manuscript 3: Norse Mythology: Captivating Stories of the Gods, Sagas, and Heroes Within this part, you'll find the answers to these questions and more. -- noticed a review that said too simplistic, but thought to myself, just how detailed should books such as this be, since I don't want to have needed a Doctorate or some sort of higher degree to read these, so some things do need to be 'simpler' so a layman can actually understand them. well of these type books, please see the the writer's page.

A very nice book for entertainment which gives you an exciting adventure about the Egyptian gods, goddesses, monsters and mortals. This book will give us the knowledge about the beliefs of early Egyptians and their culture. A really good book for a new world of mythology aside from the old Greek Myths which we were accustomed since long ago. A book that captivates our imagination.

Egypt has a wide number of stories about their myths, gods and goddess. In this book we can really some basics history of Egypt and their myths. Egyptian Mythology is my new favorite topics to read and wanted to explore more.

This is a great book for anyone who loves ancient Egypt. Includes a ton of information besides the mythological side, but also the history as well. I like that the author remains objective and admits that certain points are mere theories or speculation and not fact. Which is important when dealing with the mysteries of the ancient world.

This is a great starting book for those who don't know anything about Egyptian mythology, it is even better for those who knows about EM. Author also connects and make references to other mythologies. I enjoyed this book and i will recommend it to everyone!!!

Easy to follow overview of some of the more key points in Egyptian history and their gods and goddesses. A

Later in the book the author posits that dragon myths may have actually been metal airships from ancient Atlantis. They provided no evidence for this absurd claim. When the author introduces such a fringe and unsubstantiated theory they lose all credibility as a reliable source for ancient mythology & history. Treat this book as conspiracy theorist level BS.

I always wanted to read a book about Egyptian Mythology as I am a big fan of it and luckily I have found this book in kindle. At first I thought this book is really bad but after reading it for 30 minutes it isn't but at all but not that good either but still since the price is very reasonable this book is a great find.
