Driving The Pacific Coast Oregon & Washington, 5th: Scenic Driving Tours Along Coastal Highways (Scenic Routes & Byways)

Synopsis

The best way for readers to see the Northwest's spectacular coastline is to drive with this book beside them. A virtual encyclopedia of destinations, *Driving the Pacific Coast Oregon and Washington* describes 35 coastal communities along Route 101, from the southern border of Oregon to the northern border of Washington state. Included are recommendations for top-notch accommodations, oceanside camping, exceptional restaurants, unique shopping, cultural museums and attractions, white-sand beaches, memorable fishing stops, challenging golf courses, and annual festivals--700 miles' worth of great vacation memories.

Customer Reviews

"The best way to traverse Highway 101 is in your car with a copy of the 4th edition of [this guide]."--*Western RV News*"This is a nuts-and-bolts guide to scenic driving tours."--*Washington Herald*

The best way to see the Northwest's spectacular coastline is to drive it with this book beside you. *Driving the Pacific Coast* describes thirty-five communities along Route 101, from the southern coast of Oregon to the northern coast of Washington. Find out where to eat, stay, and shop as well as what to see and do in each locale. Tour the entire 700-mile route or simply visit one of these splendid destinations. You will discover: a treasure of agates, jasper, and petrified wood washed up along the shore of Bullards Beach in Bandon, Oregon; some of the best clam beds on the coast -

perfect for digging an assortment of delicious bay clams - in Coos Bay, Oregon; Quaint shops, fine art galleries, and a historic river heritage in Florence, Oregon; Olympic National Park's 900,000 acres of mountains, meadows, forests, rivers, and rugged Pacific coastline in Port Angeles, Washington; the Victorian charm of old brick buildings, stately mansions, antiques shops, and taverns in Port Townsend, Washington. Don't miss Route 101's: top-notch accommodations; oceanside camping; recommended restaurants; museums and cultural attractions; white-sand beaches; fantastic fishing stops; challenging golf courses; annual festivals and events.

This book was very helpful in planning a Pacific Coast drive that a friend and I will be doing. There are many great places to stop along Hwy 101, but most people can't do them all. So, this helped us narrow down what we think will be the "must see" places along the way. The additional info on food, lodging, events, etc. that is available in each area will likely be useful along the way. A mini-map (say, 11 x 17) pull-out or insert would be a nice addition, so one could refer to the "big picture" while making plans or as an overview along the way.

Best little, easy to use tour book I have ever got...excellent.

Outdated book with very general information. Did not suit my purpose.
