Broken And Blessed - Women's Bible Study Participant Book: How God Used One Imperfect Family To Change The World

Synopsis

Broken and Blessed is a six-week study that traces the story of the Genesis family from Adam and Eve through the generations to Joseph, bringing blessing from brokenness. We will see that despite both good and bad traits that were passed down, God worked for good in every generation. •determined to transform those within and outside the family bloodlines. The study ends with the story of Joseph, who decided to stop the cycle of previous generations, offering forgiveness and grace to his brothers. Through these stories of Genesis, New Testament teaching about family, and stories of contemporary families changed and used by God, this study shows us how God can use our own imperfect families to bring blessing in a hurting and broken world. The Participant Book contains five daily readings per week, each including Scripture, reflective teaching material with questions and space for recording responses, prayer suggestions, and ideas for practical application.

Rewrites Your Story Bible studies and Broken & Blessed book. She and her husband, Jim, have two young children and live in Wilmore, Kentucky.

This was an outstanding series. The videos (which were short enough to allow discussion time, 20-25 min,) added content and did not just repeat what was in the member book. The weekly studies helped us see familiar stories in a new way, with greater depth and application. Broken and Blessed beautifully showed how God used the deeply flawed families in Genesis and will also use our messy, broken, sinful, crazy families to bring His grace to a broken world. Our multi-generation moms group will be doing more studies by Jessica LaGrone.

I bought this for my wife as part of a bible study she is in. She has really enjoyed the book and has been eager to open it up and spend time thinking and discussing. She has really enjoyed it.

Great Bible study. I recommend this.

Gift for my mom - she requested it

Wifes stuff.

It's a book that was used for a continuing education class. It shows the families and generations that were dysfunctional/broken in the Bible. It showed how God can use whomever He wants to and how.

The studies and the stories in this book along with the passages from the bible are truly amazing. I am truly Blessed to have this experience and teachings.

Wonderful study for women
