The Ultimate Babysitter's Handbook: So You Wanna Make Tons Of Money (Plugged In)

Synopsis

Anything and everything you ever wanted to know about baby-sitting is included in this easy-to-read and info-packed beginner's guide. Eager baby-sitters discover new ideas and tips from how to get started in a profitable baby-sitting business, to how to face the challenging situations that can arise between you and your KTWs (or Kids to Watch). With The Ultimate Baby-sitter's Handbook, baby-sitting has never been so much fun – or so profitable!

Grade Level: 3 - 7

Customer Reviews

Grade 5 Up. This informative guide includes chapters on getting started, tips and techniques, dos and don'ts, activities, easy recipes, and a final chapter on other money-making activities. Excellent organization, a reassuring text, and lively cartoons make this a good choice for novice sitters. An added bonus are the anecdotes from experienced child-care providers. Ann M. Burlingame, North Regional Library, Raleigh, NC Copyright 1997 Reed Business Information, Inc.

Debra Mostow Zakarin is a children's book author. Her works include The Ultimate Babysitter's Handbook, Countdown to Grandma's House, Let's Make Noise, and Changing Pictures.

This is a well written babysitters guide. My problem with it is that it is written for 9-12 year olds and many states require that babysitters be 13 years old and have a babysitting class. If you aren't sure about your state's requirements (or didn't realize they existed), call your local department of Family and Children's Services and ask them the home-alone and babysitting age requirements.

This book was extremely useful to me. I am a new babysitter, and this taught me a lot of things I never knew. Of course, some of the things in this book were kind of common sense, but there were a lot of things I didn't know, and that was very helpful. It has fun things like games to play and fun recipes to make. It helps to try decide how much to charge, too, and ways of advertising. I highly recommend this book to beginning babysitters. :-)

I am becoming a babysitter, and this guide answered all of my many questions. It has everythin from finding clients safely to cooking an easy meal that kids love. The first aid guide has info on almost every accident that could happen. It has about 100 letters and advice from real babysitters. I strongly reccomend this easy to read book to any to-become babysitter, it was a great hel to me :)

I purchased this book for an 11 year old neice that I am hoping will be ready to babysit for my daughter in the future. I read the book and thought it was an easy and entertaining read for an 11 year old and gave lots of information about running a babysitting business. I thought it could have gone into more detail about how to relate to children or KTW (kids to watch) as the book refers to them.

I asked my dad to buy this book for me when I was starting my babysitting business. It is full of good ideas and information and helped me start my babysitting business. I would recommend this book to anyone wanting to start a babysitting business.

What a great book! Thanks for getting it to me in quickly and in good condition. I really appreciate it!

The Ultimate Baby-Sitter's Handbook is helpful in that it is a good source for easy-to-make recipes, checklists, and ways to make flyers, but it's a little too general and repetative.

I alwaise bring this book every where i go too babysit its very good especially before i didnt know how too warm a bottle and its full of good story's that happened too other babysitter's
