Dog Eat Doug The Eleventh Comic Strip Collection: It's A Mad, Mad World...and I Like It!

Synopsis

What readers are saying about Dog eat Doug: “If you like Calvin and Hobbes, then this is a must read. It is full of ridiculous references and subtle yet very effective humor. I LOVE dog eat Doug.” - Ethan “Love dogs, love kids, this is the comic strip and book for me. Yes there is an homage to Calvin & Hobbes and even Peanuts, but this strip has a charm all it’s own and I love it. Even named our dog Sophie.” - Kellie Russ “Page after page of laugh out loud fun. I’ve been reading about Doug and Sophie for a while and just love their adventures. This is a good read for all ages.” - Ruth Craig “It took a long time to find a comic that could replace Calvin and Hobbes for me.” - Peter Mol “Brian Anderson is a genius. I love his writing and his characters are ever endearing. My only gripe about this second collection of Sophie the Lab, baby Doug and their family is the book ends far too soon - I wish there were more! You can’t go wrong with Brian Anderson, his stories and art. Enjoy!” - Banzai In the spirit of Snoopy and Charlie Brown, or Calvin and Hobbes, Dog eat Doug is the cartooning creation of Brian Anderson that follows the daily exploits of Sophie, a cheese-loving chocolate Lab with a nose for the nuances of sarcasm and irony, and baby Doug, a healthy, happy newborn with no concept of jealousy and a limitless curiosity. Together, this dynamic duo adjusts to sharing the spotlight, the toys, and the affections of Mom and Dad, while exploring nature and its majesty, the couch and its cushions, and the cookie jar and its contents. And if you enjoy this collection, you’ll find a link to download another free book of Dog eat Doug, stuffed with dog humor, cats, babies and other lovable animals.

Doug and Sophie are riding along on the Batcycle as the Dynamic Duo, when suddenly they're attacked by giant Teletubbies! Doug and Sophie are witness to the modernization of Narnia, in a somber moment that C.S. Lewis would have appreciated. Just 2 of the examples of the brilliance of creator Brian Anderson! Run, don't walk, to pick up the latest collection of Lunacy and Laughter in vol. 11 of the adventures of Sophie and Doug! BAK!

I love the Dog eats Doug books. It's like Mr. Anderson can look into the minds of the baby and all the animals and know what they're thinking. I really enjoy these books and look forward to reading many more adventures with all the wonderful characters he's written about.

I love these. Comics I always see my dog in Sophie's antics. And the pop culture references constantly make me feel out. And yes cats are evil geniuses. Like peanuts the best part is the truth that hides in every panel and shows us how to laugh at life.

The latest collection of Brian Anderson's fantastic newspaper comic strip, Dog Eat Doug. More of the great artwork, pop culture references, and surreal humor that make DeD one of THE best strips being produced today, hands down. Funny without being saccharine. Suitable for everyone of all ages.

I love Brian's work on this strip. Funny, touching, surreal. You never know what twist is coming next. Plus unlike so many strips, he keeps turning out collected volumes at frequent intervals. I wish all my favorite comic strip artists would do this as the syndicates seem to put out a few collections and then stop. Anyway I recommend these books very highly. Please keep them coming and I will keep on buying them. Also check out the D.E.D. tee shirts too!

I love this strip. It has the perfect blend of warmth and surreal events and I am always on the

lookout for a new collection. Highly recommended.

Enjoyed this book. A few of the cartoons went over my head but most were worth a chuckle or two, or three. Really got a kick out of the cats and aliens. Will definitely read his other books.

I just started reading and it does funny as all the others have. Truly is my new Calvin and Hobbes.
