We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Very thorough and it covers a lot of chord formations in a logical pattern. A great reference tool for beginner and advanced player as well.

Good reference that helped me as a long time guitar player learn some new chord configuration or shapes.

Nice book of chords; easy to follow and to find what you are seeking.

great

good book.

Great, simple book.

I love it!

Nice item.
