After a generation out of print, the original Choose Your Own Adventure series is back. First published in 1979, the books let readers remix their own stories and face the consequences. A quarter-billion copies sold worldwide as kids raced to discover lost civilizations, navigate black

holes, and go in search of...the Yeti. The original titles have returned in bookstores, revamped with 21st century references (cell phones!). Everyone enjoys playing the hero - especially if the hero has cool gadgets. --Wired Magazine

Can You Find the Lost City of Atlantis? You are a deep sea explorer on a mission to locate the lost city of Atlantis. According to legend, the city mysteriously disappeared many thousands of years ago. One day, as you are searching the ocean depths, you are trapped outside your underwater vessel. As your friends begin to haul you up, a giant squid heads directly toward you. Will you attack the squid with your spear gun, or will you signal your friends to pull you up at top speed? If you decide to fight the squid, turn to page 17. If you decide to signal your friends to pull you up at top speed, risking your life, turn to page 18. But be careful! There are many dangers waiting for you in the ocean. You might get swallowed by a large fish. Or you could make it back to the boat and continue your expedition once again. What happens next in the story? It all depends on the choices you make. How does the story end? Only you can find out! And the best part is that you can keep reading and rereading until you've had not one but many incredibly daring experiences! --This text refers to the Hardcover edition.
