Girls Of Grace Daily Devotional: Start Your Day With Point Of Grace

Synopsis

Start Your Day Off Right This made-just-for-you devotional from Point of Grace is the perfect way to make sure you are centered on God and ready for whatever your day brings. Each week is set up so you can pick and choose the activity you want to do each day in whatever order you choose. Here's how it works: There are fifty-two topics (one for each week of the year), and each one has five short and easy devotions. Each week has a brief message a fill-in-the-blank Bible study a special scripture for you to read and place in your heart an action idea for living out that week's message some space to journal your thoughts and feelings The five-devotions-a-week plan allows for a rest on Sunday and one "Yikes! I overslept" day. By the end of each week, you'll be closer to God, deeper into His Word, and more like Jesus.

Point Of Grace, the multiple Dove Award-winning, Gold and Platinum-selling vocal group, has been sharing their faith through song for more than ten years. The popular group has twenty-one consecutive #1 hit singles and multiple Grammy nominations to its credit. Called the "hottest" group in Christian music by the New York Times Magazine, Point of Grace has influenced multiple thousands of teen girls through concert and tour performances.

My 13 year old daughter really likes the layout of this devotional book. It is diverse enough to keep her attention and from making her think she is doing "some boring devotion every night". The format

of the book is flexible in a weekly setup so that she can choose what type of devotion she wants to do each night for the week. There is also a check off list for each week so she can see what she has left to do. The book also gives the teen 2 days off during the week, Sunday and an "oops" day. I like this format because sometimes homework takes a long time to complete and I don't want her to feel like she is breaking the devotional cycle if she only has time to pray that day. So far it seems to be practical, real world advice for teen girls from a group of ladies they all can look up to. Teen girls are real into music and most love Point of Grace, so this book helps them get excited about a devotional that they can relate to.

Really like this devotional. Having many great discussions with my granddaughters.

Item received. As expected

My ten year old daughter wanted a devotional book that she could use on her own. With a little research, I found this book. It is great. I love the activities included in the devotions. I recommend this book.

Both my daughters (11 and 13) have enjoyed the series of devotionals from Point of Grace. Having devotionals aimed at their age group gives parents resources that have a positive influence.

I was pleased with how the books I ordered showed up in the mail. I was able to buy "like new" Bible devotional books for my Bible study group at much lower prices than a book store. That means I can spend more money on treating these young ladies to coffee and fresh bagels at the local bagel shop where we meet!

A great devotional book for my young teen! Love the interaction it poses with so many questions and things that inspire them to think about what they are being asked and scripture. I was very pleased with this purchase!

I was reading the "Look inside" on .com and the section where you fill in the scriptures; it doesn't say which Bible version to use. If the bible we use is read differently, then the meaning may come out differently because it's not using the same words. You should indicate if it is the KJV, NKJV or NASB, etc. Other than that, I like what I read but will not purchase because it is not clear on which

version of the bible you are coming from.
