# Perfect Panini: Mouthwatering Recipes For The World's Favorite Sandwiches

## Synopsis

Sandwiches are transformed into something extraordinary when quality ingredients, savvy stacking, and a hot panini press are combined. From classic favorites to modern combos, this book will show you just how versatile and delicious panini can be. Packed with layers of flavor, here are the ultimate recipes for panini, from classic to modern. Over 45 delectable combinations featuring crisp toasted bread, gooey cheese, and savory meats, veggies, and spreads will leave you craving more.

Celebrating the original Italian sandwich, this book covers it all, from simple favorites like three cheese with tomato and basil or hearty pulled pork with slaw to sophisticated combinations such as nectarine, arugula, and brie or roasted peppers with goat cheese and salsa verde. Each recipe displays the ingredients like a sandwich board, making it easy to choose the bread, fillings, and condiments to make your ideal sandwich. You'll also learn tips, like why it's important to coat the bread with oil or butter, how to layer ingredients for maximum results, and why using a weighted press for toasting will elevate your creation from ordinary to divine. So, whether you want an over-the-top sandwich riff on a favorite comfort food, like artichoke-spinach dip or jalapeno poppers, a decadent combination such as roast pork with bacon, pickled onions and pepper jack, or something simple and healthy like grilled salmon with herbed cream cheese, you'll find the perfect panini in these pages.

We bought a Cuisinart Griddler Elite at Williams-Sonoma and have been experimenting with the Panini sandwiches, and the salesperson mentioned this book, which WS was featuring. Better price at , so I had them ship it straight to me. What a great book. Not too thick, but gives you a set of great recipes and great basic instructions on how to best put them together. Some recipe books get way out there and can overwhelm you. This book goes beyond the basics, but doesn't bog you down in recipes that are over the top. Just good, basic easy to make recipes. Recommended if you are new to the Panini world.

Great panini book! All of the classics are there: Italian Cheesecake, Muffuletta, BLT, Reuben, Clubs, CubanoPatty Melts. There are some off the beaten panini path, too: Pulled Pork & Slaw, Shrimp Po Boys, Crab Melts, Zuchhini Feta Tapeade, Jalepeno Popper, Lamb Feta and Harissa, Prosciutto Gorgonzola & Fig, Grilled Salmon & Herbed Cream Cheese, Manchego & Quince....The Croque Monsieur is absolutely decadent. The Nectarine, Arugula & Brie is really different and yummy!The book has great color photographs throughout. The instructions are clear and easy. It's well organized.If you need a panini press, I love this one. A Cuisinart GR-4N 5-in-1 Griddler, Silver, Black Dials

A luxury item and mostly recipes are not needed for making a grilled sandwich. But the layering of food items is discussed as is the selections of cheeses to go with the type of meats used. Worth the price.

This book makes me get really hungry. I originally bought it on Kindle, but thought it should be in my library. I like books with a color picture of each recipe and this book is close to that. The recipes and pictures show sandwiches that are mouth wateringly gooey and crunchy at the same time. This is definitely comfort food.

I bought my daughter-in-law a Panini pan for her birthday. She works long hrs. and this is perfect for her, my son and their 16 & 19 yr old. Quick and delicious. recipes. Cheryl R.

I love this book - some really unusual recipes you don't find in other Panini books.

Purchased as a requested gift. Arrived in great shape

Can wait to make some!
