Customer Reviews

"The virtues of patience, compassion, and healing are foremost among the qualities that these enlightened meditations teach."

Joyce Sequichie Hifler offers this beloved collection of daily meditation books drawn from her own rich Cherokee heritage and that of other tribes. She presents readings for each day of the year from 'Una la ta nee' -- the cold month, January -- to 'U Ski' Ya, the snow month of December. Each provides insights in both English and Cherokee, and gems of wisdom recorded in the words of native speakers. This little treasure is for readers of all faiths, and for those seeking faith.

Love the wisdom.

I enjoyed it, but not quite as much as the first book, slightly disappointed, as I loved the first. I have not yet received my order for Volume 1. This was ordered on the same day as Volume 11. I can not find info to follow up on. Please advise.

as a fellow Cherokee, I get a lot of the daily meditations written in this book. thank you

This book can be used as an inspirational guide for anyone who would like to embrace the Cherokee culture. I love it!

Like Indian reads. Good book. Fast delv. Thank you.

I gave this a 5 star rating simply because I have one and wore it out; so this is my second one and I am waiting to receive it. Recommend to people in Recovery, Native Americans or people who like uplifting readings and meditations
