Paul's Letter To The Romans: Bible Trivia Quiz & Study Guide (BibleEye Bible Trivia Quizzes & Study Guides Book 6)

Synopsis

How to Really Study the Bible Tired of reading a passage of scripture and finding that you've forgotten what you just read? Looking for a way to increase your attention and understanding during Bible study? Looking for an enjoyable way to study the Bible by yourself or with friends and family? You're just seconds away from deeper engagement with the New Testament scriptures... Study the Bible by Taking Bible Quizzes After Every Chapter If you're like most people, you pay better attention and get more out of what you study when you know that you're going to take a quiz on it. This is why BibleEye Bible trivia quiz questions and answers are great study tools to engage with the New Testament text. Here's How it Works: Read a chapter of the Bible (KJV), then answer study quiz questions (followed on the very next page with the answers) on what you've just read... "After I read one chapter and made it to the questions, I realized that I had just been looking at the words. It took another time through the book for me to pay attention so that I could answer the quiz." - From the ChristianDroid.Com review THEN, a day or two after you study a passage of New Testament scripture, revisit the questions and answers to see how well you retained what you read. Still Not Sure? Read more of what ChristianDroid.Com has to say in their review of one of our BibleEye Bible trivia quiz books: "These questions are all fact based and make one realize that many times we are just reading words and not fully understanding what we are reading. In fact, after I read one chapter and made it to the questions, I realized that I had just been looking at the words. It took another time through the book for me to pay attention so that I could answer the quiz... The questions are based solely on the content of the Scripture and do not contain any theological questions making this book useful for all denominations... I remember... when I attended school, I always paid a little more attention when I knew that there was going to be a pop quiz. This eBook gives me the same feeling. I need to pay attention because there is a 10 question pop quiz at the end of the chapter... These eBooks are a great way to immerse yourself into the New Testament in a way that you have never done before... I am looking forward to checking out the other 26 New Testament books and trying some of the quizzes out on my family. They like stumping Dad with their Bible quizzes but I might just have the upper hand now. We often use Bible quizzes to pass the time when traveling together, so these books will come in real handy on our next family vacation." • This book provides the entire KJV Bible text of Paul's Letter to the Romans, and each chapter is followed by Bible trivia quiz questions and answers. LIKE MOST PEOPLE I AM PRONE TO NEGLECT READING MY BIBLE. SO WHEN I GOT MY KINDLE AND CAME ACROSS "THE BIBLE STUDY TOOL" I REDEDICATED MYSELF TO GET BACK TO THE BIBLE. THIS TOOL IS THE BEST I HAVE ENCOUNTERED. THE QUESTION AND ANSWERS AT THE END OF EACH CHAPTER ARE GREAT. I RECOMMEND EVERY SUNDAY SCHOOL TEACHER TO GET THESE BOOKS.THEY WILL BLESS YOUR LIFE.

I have purchased several Bible Studies, and as I took the opportunity to look through each one, I was having a difficult time deciding which one to start on first. I believe that anyone that would like to further their own personal Bible Study time, would really enjoy these books. I also purchased: Paul's Letter to the Ephesians, Paul's Letter to the Philippians, Abraham...A friend of God, Kingdom Living, People of the Spirit and Looking into the Heart of God - (The Life of David)

It was a light way to go through the book of Romans. I did enjoy the style of questions and that the Biblical text was included.

This is a great way to learn the Bible. You read a chapter and then answer the questions, great study tool.

Goes right along with the other Roman commentaries I own very indepth

Well written Bible study tool. I love the quizzes at the end of each chapter, they are just difficulty enough to force me to read the text more thoroughly.

I like it because it has questions at the end of each chapter of the book. I would buy more like this.

I'm fairly certain if I were reviewing this in paper book form, I'd rate it higher. It is difficult to use in Kindle form. Mostly that is the limits of the Kindle, not the book.
