Customer Reviews

One of the most informative travel books I have read. It's not only great for tourists, but it's great for locals too. -- Rachel Yates, "Behind The Thrills," April 18, 2012 [Offers] fantastic value in deciding and decoding the "big" attractions to do that are not Disney.--Joey Inigo, Mouse Info; April 16, 2012

ORLANDO IS NOT A ONE-.MOUSE TOWNAnd this is the book that proves it.GIANT ROLLER COASTERSHARRY POTTER WIZARDRYDOLPHIN SWIMSSPECTACULAR ENTERTAINMENTWATER PARKSGATOR HUNTSLUSH GARDENSSUPER SHOPPINGACTION-PACKED SPORTSTHE REAL FLORIDATHE ARTS . . .What do we have against Mickey? Not a thing. We love the little guy. But just outside his kingdom lies a dizzy world of wonderful attractions, more than enough to fill weeks and weeks of magical days. Within the greater Orlando area, or just a short ride away, you'll find all the ingredients for a non-stop,

thrill-a-minute vacation, with oases of quiet beauty thrown in for good measure. After Disney is the most complete guide to all these riches. This is no cookie-cutter guidebook, but the work of true theme park nuts, told with wit and humor and no punches pulled. Inside you'll find: Touring plans to all major parks; In-depth descriptions of every ride and attraction; The latest on the Harry Potter attractions at both Universal Studios Florida and Islands of Adventure; Insider tips on how to get the best seats and get in on the action; Coverage of scores of lesser attractions overlooked by the other guidebooks. And more!

The book is very good at outlining activities other than Disney. We have gone to Disney for a number of years and wanted to do something different. We learned about the John F Kennedy Space Center, the magic show at Wonderworks and Sea World. Very informative book.

Overall great info about great attractions in Orlando. But I love to see pictures and none were added to this book. It is a little outdated (updates available online) but still a great resource.

There's a lot to do in Orlando for the non-Disney crowd. Wish it would update to give a more recent review of Legoland, and curious how they review Seaworld now that blackfish has come out.

this is a great book for anyone traveling to the orlando area,lots of great information

This book is a must have for any novice venturing into the playland of Orlando without an exceptionally knowledgeable guide. My family aging from 10-44 used it daily and grew to rely on it exclusively for planning each day's outings and adventures. It was so helpful and useful. ONE CAVEAT: Scoring of the rides and coasters is very heavily weighted toward the high-intensity thrill coasters. If we were judging each individual ride and coaster on its own merits, we would have scored many of the lower scored rides higher and a couple of the higher scored coasters lower. I don't think the scoring in the book would be accurate for families with younger children, it wasn't for ours, or for folks interested in a variety of rides for their own sake. It is really very accurate for thrill seekers on coasters.

This book is awesome, full of so many fun facts and helpful tips for the Orlando that isn't Disney. It was so helpful planning our first Universal trip:) Highly recommended!

Very helpful including tips on how to navigate the highways and what locals call the roadways.

Maps were helpful too.

Allowed me to prepare for a very nice and fun vacation. Nice tips and very accurate with the information on Universal and Seaworld, which were the only parts we did.
